

# Toddler Times

Weeks 28 & 29 February 20th-24th & February 27th-March 3rd, 2017  
**Theme: Transportation**

## Language Arts:

During the next two weeks, our topic is transportation. For toddlers this translates into "vehicles." Pictures and flannel board stories will be used to illustrate and name various vehicles each day. We will learn that transportation is a big word that means moving from one place to another. Finger plays taught this week will be "Rowing", and "My Little Sailboat". We will listen to the flannel board stories, "Five Little Dump Trucks", "Little Red Train", and read the story "I'm your Bus."

## Concept

We will learn about the different forms of transportation and put them in order from small, medium and large. The water table will be brought out for play with some of our boats.

## Craft and Writing:

Our little artists will have a fun filled two weeks as we create and decorate many different vehicles. We will play with shaving cream and play dough which we will use the smaller cars to make tracks in the play dough.

## Motor:

We will continue to use the trampoline along with our stair steps. We will also have fun with our parachute, along with our cars and car mats and riding toys. Bringing out our bean bags for a shape activity and body part dance will be a lot of fun.
