

# Pre-K Press

Week 30 March 6th-10th, 2017

Theme: Books and music

## Language Arts:

This week we will discuss the many different types of instruments that can be used to make music. We will also read many different books and talk about the different parts of a book.

## Craft and Writing:

The children will enjoy creating many different projects throughout the week to go with some of the books that we will read. Some of these projects will be kept at school so that they can be displayed later at our art fair.

## Motor:

We will be introducing different instruments and how they work. After they learn about the instruments we are going to have a marching band. We will also play wonder ball.

## Concept:

We are going to read books in class and do concept activities that go along with them. What's missing will be played along with counting by 2's and 5's.
