

Junior Journal

Week 30 March 6th-10th, 2017

Theme: Hooved Mammals

Language Arts

Get ready friends! We will be learning two new letters, Mm and Nn. The children will enjoy meeting our new Amos characters for Mm and Nn too! We will also be learning about hooved animals, so to add to the fun the children will enjoy using instruments.

They will sing along to songs like, "I Know a Giraffe," "If I Were," and "The Elephant."

Motor:

Giraffes, camels, and horses oh my! The children will enjoy moving like the hooved mam-

mals we are discussing. Weather permitting we will utilize the play ground as much as possible. While indoors we will be bouncing a ball, balance, and hand eye coordination will continue to be our focus!

Concept

Alice the camel has __ humps. Alice the camel has __ humps so ride Alice ride.

The students will love singing this song as we add or take away humps on our camel. This will sup-

port the children in number seriation. We will also continue to monitor and document our potato plants. The students will also compare and contrast hooved mammals.

Craft and Writing:

Let's see what our tiny fingers can do! The children will have fun using play dough to create, and review, our letters and shapes. They will also enjoy collaging some spots on our tall giraffes.
