Language Arts:

During the next week we will learn all about Easter. To enhance our discussion, we will learn two new finger plays called "Hopper" and "Five Hopping Bunnies". We will also use our listening ears to follow along to our listening activity called "Wiggle" will be read and listen to Easter flannel board stories such as "Peter Cottontail".

Concept

Doing a seriation activity dealing with small, medium and large Easter eggs will be a fun challenge. We will also do one to one correspondence where the children match birds to their nest. The water table will also be opened so we can go fishing.

Craft and Writing:

We will be celebrating Easter by using different media to create great art projects. We will also have time to do shaving cream.

Motor:

During this week we will use our stair steps, our parachute, use our color ladder and have a color and shape toss. We will be exercising and having a lot of outdoor play, weather permitting. We will also hunt for Easter
