

Nursery Press

Weeks 28 and 29 February 20th-24th and February 27th-March 3rd, 2017
Theme: Transportation I and II

Language Arts:

Let's chug-a lug like a boat, zoom like an airplane, rumble like a truck, and chuff like a train as we explore the many exciting ways of transportation. Throughout the next two weeks, our class will learn about transportation songs as well as a few flannel board stories. Our featured songs are "I'm a Choo Choo Train", and "Five Flying Airplanes". We will also explore the following books, "Magic Train Ride", "The Journey Home From Grandpa's", and "Space Song Rocket Ride". Get ready to blast into a fun and exciting two weeks of learning!

Motor:

"Vroom, Vroom, Vroom" The kids will have fun transporting vehicles while crawling through the tunnel. They will enjoy learning the words "come" and "go" with an exciting "Action Word Game" on the tumbling mat. The kids will also enjoy a free equipment time using "Riding Toys" such as the rocking boat and the seesaw.

Concept

During these next two weeks, the kids will enjoy discovering different forms of transportation around town and in the water. They will get to sort trucks, cars, airplanes, and boats with their correct background locations. We will have fun playing a transportation matching game and a "Dump Truck Counting" game. Their little hands will enjoy using the water table for sea transportation and dirt for construction transportation sensory bin.

Craft and Writing:

All aboard the creative train of learning! Our little artists will be creating a colorful race car craft as well as exploring other mediums to create fun art. We will also construct with play dough throughout these two weeks.
