Language Arts:

Spring is around the corner and so is St. Patrick's Day. What better way to celebrate both. "When the rain falls from the sky, don't forget to look up high. If the sun is shining there, you may see a rainbow fair" This is just one of the many finger plays and flannel board stories that we will learn.

Motor:

Leprechaun, Leprechaun turn around. Leprechaun, leprechaun touch the ground. Leprechaun, leprechaun, point to your ears! The children will love this St. Patrick body play as well as continuing to

enjoy the playground this spring. Please bring appropriate outerwear.

Concept

The juniors found the leprechaun rainbow! Rainbows will be our central focus in science. Our new science board will incorporate rainbows through reflection of light and colored water and celery! The students will be so excited to tell you about it! Numbers 9 and 10 will also be added to our concept jobs!

Craft and Writing:

Let's have some extra fun! We will be using many bright colors for our

spring and St. Patrick's Day projects to go home and for our art board. Numbers 9 and 10 are being introduced so we will practice counting pictures and writing numbers too.

Spring Color Week

Monday 3/20

Please wear Red

Tuesday 3/21

Please wear Blue

Wednesday 3/22

Please wear Yellow

Thursday 3/23

Please wear Purple
