

Pre-K Update

We are busy as we get close to the end of the school year. We will be practicing for our end of year show which will be held at the Noonan Academy.

If your child will not be attending the program on Wednesday, May 31st. Please let your child's teacher know.

This week in class we will learn about insects, spiders, and Summer. Please feel free to send any related theme books to school with your child. All classes will review the alphabet Aa-Zz.

Concept- Insects (activities) will be added to our shelf jobs. We will talk about Summer and the change of season.

Our final evaluations will be completed this week.

Craft and Writing-

We will match numbers with the correct amount and practicing tracing our letters. We will work on rhyming, pattern and beginning sounds.
