

Dear Parents and my Sweet Children,

I can't believe our end is near. I am so lucky that I got to be a part of your child's school year. I have cherished many memories with each of you. I got to watch you leave your parents side on the first day of school in August and watch you grow socially, emotionally, and most of all academically. I could not be any prouder of each of you. You have brought such happiness to our class and I will miss each one of you. I wish everyone a wonderful Summer and a Happy Year in Kindergarten.

Friday May 26th is our last day of school. We will have a little celebration in class. If you would like to bring in a special snack for the children to enjoy. Please sign up on our classroom door and let's kick off our last day with a BANG!!

Thank you again for Everything,

Love Ms. Debbie
