

February News

February is the month of red hearts, Valentines, and special cards. Our school is excited about the fun activities and events in store for us this month.

Our Valentine's Day party will be held February 13 and 14th. Please note if sending Valentine cards with your child please address the envelope to "**class mate**". Parents allow Your children to print their own name if they can. It's great practice. We will be celebrating our party the last hour of class. No food treats or candy allowed.

Love is in the air at Bobbie Noonan's

This month is National Children's Dental Health week. We will talk about proper dental hygiene. The children will see a movie called "Geena's Tremendous Tooth Adventure". It is an animated video from Crest tooth paste.

Registration for 2017-2018 school year is open

Please don't delay in registering your child. If your child will be attending in the Fall you must re-register. Spaces are limited and filling up fast. Registration will be open to the public this month.

In keeping with the February theme, Valentines Day....

Researchers have discovered that hugging can help you live longer, protect against illness, cure depression and stress and help strengthen family ties.

So.....Start.....Hugging.....

*Create the memories
Cherish the time together
for life has a way of passing so quickly
but families from generation to generation
are forever.*

Happy Valentines Day!
