Getting Acquainted

August 14-18th

Monday

Today we will introduce ourselves and get to know one another. We will make new friends and enjoy a day of spelling our name and making a craft!

Don't forget to bring your blue tote bags everyday!!

Tuesday

In class we will review school rules and our class schedule. We will continue to talk about ourselves and get to know one another. Practicing our name and learning the letters in it is very important. We will be reviewing this again today. We will also review how many letters are in our name in our concept class. We will be making another craft in our craft and writing class.

Wednesday

Our first Show-N-Tell will be today. Remember to bring in one item that will help tell something about you.

We will work on a group project in class today by making a "Who Am I Book" we will have it displayed in class by our white Dry Eraser board.

Thursday

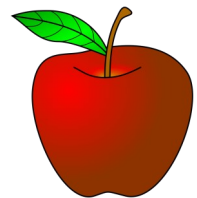

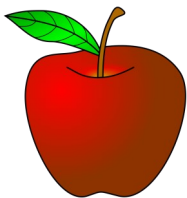

We will enjoy a class discussion on our favorite likes and dislikes. This will help us get to know each other a little better. What is your favorite color, food, movie, and fun activity.

What sounds don't you like, what food do you not like to eat, etc..

Friday

We will be sharing our "All about Me Flower" today, please be sure to have them returned and ready for your child to share with their friends.

Have A great weekend and I cant wait to see everyone next week!
