POLICE

STRANGER DANGER

Welcome to police and stranger danger week. We will discuss duties of police and crime prevention. We will also discuss what a stranger is and what to do if a stranger approaches you. Feel free to bring in any items that pertain to the weekly topic.

LANGUAGE: Letters Ii and Jj will be introduced along with their phonetic sounds. We will also work on the words innovative and just for our Expressive Vocabulary Words. We will practice writing the letters and do work sheets that help develop our attention to detail. I would like to let you all know how wonderful your children are doing with their reading stories. Please keep in mind that every child goes at their own pace when it comes to

reading. Poetry for the week is Be A Friend and Willy the Wisher is Poor Old Bowser!

MATH: This week we will be working on printing the numbers 7 & 8. We will count by 10's.

SCIENCE: The Jumping Beans are really jumping! We have Mexican jumping beans in our class. Did you know there is a worm inside of it that makes them jump? Ask your children all about them.

PRINTING: We will do some activities to strengthen our printing. We'll Roll-A-Dough letters and build Mat Man. We will draw a picture of what your child thinks a stranger looks like.

BITS: Vincent Van Gogh

FABLE: The Fox and the Stork

MORAL: Treat others the way you want to be treated.
