

MAY/JUNE NEWSLETTER

CLASSROOM NEWS

Another year is coming to a close. The end of the academic year brings with it many happenings and much excitement. The main point of interest at this time is the preparation for the year end music programs. The Junior, Pre-K and Kindergarten programs will be held at Prairie Junior High school in Alsip on Saturday, May 20th. Please arrive approximately 15 minutes before your child's program begins. Individual invitations with times will be sent out. With respect to their age, the Nursery class will not be participating in a formal musical program, but will enjoy a party at school.

Final evaluations of the children are scheduled this month. The Kindergarten students will be given the Scholastic Readiness Assessment. As in the past, we will be sending a copy of the results and your child's medical information on to the first grade they will be attending.

The last day of school for children who are not attending summer camp is Friday, June 2nd. The week of June 5th we are open for our daycare students only. Our Summer Camp session begins Monday, June 12th. At this time many children will be "moving up" into a new room. This is reserved for children attending summer camp only.

Our school picnics will be held on Thursday and Friday, June 1st and 2nd. All students are invited to attend. A picnic lunch for all will be served at 11:20.
