

PRE-K NEWSLETTER

WEEK 29

TOPIC: MAMMALS

FEBRUARY 27-MARCH 3

MOTOR

The children will be up and moving with Mrs. Barb- while doing their ever changing obstacle course. She will bring the hopscotch mat out for some hopping good fun. We will be side- stepping up the balance beam towards the end of the week. We will end the week with some animal actions.

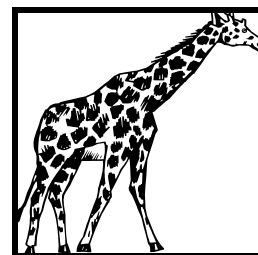

CRAFT & WRITING

Mrs. Melissa will start the week off printing the letters Uu and Vv as well as recognizing their phonetic sound. Our week "roars" on with a fun lion craft.

LANGUAGE ARTS CONCEPT

Ms. Jen is going "ape" over the new topic of mammals. She has so much information to share with the class, from teaching pictures to books, songs and finger- plays. Using the teaching pictures the children will identify different characteristics exclusive to mammals. We will be using our body puppets to put on a "mini" play of Goldilocks and the Three Bears.

Mrs. Ann will keep the children busy with various activities. We will discover which animals live in the air, on land and in the water. She has an activity planned that uses positional words to describe the location of an object in relation to another. We are rote counting to number 30. Mrs. Barb will introduce a new game called "What's Missing?" Ask your child about skip counting by 2's and counting by 5's.

INTRODUCTIONS

- * *Letters Uu and Vv*
- * *Expressive Vocabulary*
- * *Urgent: calling for immediate action or attention*
- * *Vigorous: strong, energetic and active in mind or body*
