Bobbie Noonan's Child Care ***Alsip***

Pre-K Update

Week 36 Topic: Earth April 17-21

Vocabulary

Yield: to give over, give up or give away.

Fable #11: The Grasshopper and the Ants **Proverb #5: look before you leap.**

Language Arts

Ms. Jen can't wait to teach the children all about recycling and what that means for the Earth. She will teach the children an Earth Day pledge. The class will head outdoors to read stories by the trees. Ms. Jen will put an "earthly" spin on review.

Concept

Mrs. Ann continues to work on the concept of odd and even numbers.

Earth Week is here! The class will discuss the many ways they can help to keep our Earth "green".

Thank you to the many families that attended our Parent Night.

Motor

While we are outdoors this week we will explore our yard and it's earthly creations. Mrs. Barb has many activities planned for outdoor fun, one in particular is a recycling game. We can have fun while helping to keep our Earth clean.

Craft and Writing

The children will begin working on a special craft for Mother's Day. (Shhh!) Our readiness papers will help us review all of our concepts. We will also have plenty of time to enjoy working on our fine motor activities.
