

WELCOME TO SUMMER CAMP

2017

Hello everyone and welcome to Summer Camp in the Alumni Room. My name is Ms. Jennifer and this is my 8th summer here at Bobbie Noonan's. I am very excited about the fun activities I have planned for this summer. If anyone has any questions or concerns throughout the summer, I am available from 8:15–5:15 Monday through Thursday and from 9:00–6:00 on Friday.

Week 1: June 12th – 16th Summer Fun

Our first week will be filled with “summer fun” On Monday, we will have a “sunny” day when we talk about things to do when the sun is shining during the summer. Tuesday brings “Beach Day” fun. We will do a sand craft and have a water relay race. Wednesday will be a wacky watermelon day when we do all things watermelon. We will also have a special presenter, the Bubble Lady. We will take a camping trip on Thursday when we focus on camping, one of the favorite activities of summertime. Bring your bikes from home on Friday for a fun filled Bike Day and lemonade stand.

Week 2: June 19th – 23rd Mad About Science

We will turn into mad scientists during week 2. On Monday, we will be having our first sprinkler day of the season, so please bring suits, towels, sunscreen and optional water shoes for safety all in a bag and get ready to get wet. A visit from a special scientist will be sure to make our Tuesday fun. It's time to put on our thinking caps on Wednesday as we prepare for our Science Fair, which is on Thursday. During our science fair, we will go room to room to see what fun science experiment everyone came up with. We end the week getting creative while we each do our own science experiment.

Week 3: June 26th – June 30th Color Me Crazy

We are going crazy for colors this week. A ventriloquist will visit us on Monday. Tuesday and Wednesday will be filled with colorful activities so be on the lookout for a colorful craft. We will be making a rainbow on Thursday when each room will be dressed in a color of the rainbow. Our color is YELLOW, so please dress in yellow on Thursday. Our week ends with more crazy color fun.

IMPORTANT REMINDERS:

Daycare children need to wash their hands upon arrival each morning.

Half-Day drop off is at 9:00am. Pick-up is at 12:00pm

On sprinkler days please send a swimsuit, beach towel and water shoes in a bag. Please, no flip-flops as they get slippery when they get wet. Don't forget the sunscreen!

Please label all personal belongings! We wouldn't want swimsuits and towels to get mixed up.

Friday, June 16: Bring your bikes from home

Monday, June 19th: Sprinkler day for Alumni

Thursday, June 29th: Wear the color yellow
