Reading Across
America

Mrs. Lori's Class: reviewing 7 & 8

Mrs. Colleen's Class: introducing 5 and reviewing Ee

LANGUAGE: The children will get to enjoy some of our favorite authors which include: Laura Numeroff, Robert Munsch, Eric Carle, Dr. Seuss and Mr. Eric (Pete the Cat). As the children listen to the stories each day, they will participate in different activities to correspond with the books. We will discuss what happens next, use the talking wand, practice good manners and play who hid the button!

CRAFT AND WRITING: We have been working hard with the children on holding their pencils correctly. Please encourage them to do the same at home. We'll be tracing and working on papers of the concepts we are introducing. Play doh will be used to

strengthen fine motor skills. We will also work on first names.

CONCEPT: While we walk through some of our favorite stories this week, we will be working on one on one correspondence using characters we have met in the stories. Other characters from the stories will help us work on size and positional seriation. We'll have puzzle play and as always, work off the shelves.
