Bobbie Noonan's - Joliet

Week # 34

4/3—4/7/2017

MANNERS

Please and thank you, those are the magic words. If animals could talk, you'd hear the fishes and the birds, singing please and thank you, they are the magic words!

REVIEWING:
Aa–Ee, 9, 10
(Mrs. Lori's)

Circle, square, triangle
(Mrs. Colleen's)

LANGUAGE: The children are going to do a lot of role playing and practicing this week. We are going to review all manners. They will practice sharing, lining up, having a tea party and snack manners. Remind your children to be great listeners and to always use their manners.

CRAFT AND WRITING: We will work on readiness papers with the numbers 9 and 10 in Mrs. Lori's class. In Mrs. Colleen's class, boys and girls will work on circle, square and triangle papers. We will have projects to work on our fine motor skills by using scissors.

CONCEPT: Each day this week, the children are going to vote on their favorite ocean creature. We will then graph our findings. Shell classifying will be done by size, shape and color. We will also use visual discrimination to determine different creatures of the ocean. We'll dig for shells in the sand.

OTHER IMPORTANT NEWS

MUSIC: We will practice for our Spring Program on Thursday.

Dress appropriately for going outside, correct shoes are important.

Picture day will be on May 3.

We hope that you have a wonderful week!
