

BOBBIE NOONAN CHILD CARE- KINDERGARTEN

WEEK #5 SEPT. 11-15, 2017—PETS

Pets can bring such joy to a home and raise havoc at the same time. This week we will share our thoughts and ideas on pets. Please allow you child to bring in a picture of their pet. If they do not have a pet, have them cut one out of a magazine or draw a picture of a pet that they would like to have.

LANGUAGE: We will introduce letters Gg and Hh and their sounds. Practice with your children at home on their phonetics by asking them to find objects that start with any letter Aa—Hh at home. We will begin to read I Can stories to help with sounding our 3 letter words. We will learn to spell these three letter words as well. Our vocabulary words are generous and honor. Poetry corner is "At Recess" and Willy Wisher story is Something Green for Mrs.

Nosho.

MATH: Wow! We are already on number 5 and 6! We'll count objects and play a matching game. The children will learn to start counting by 10's. Everyday we review all of our shapes, the calendar, and numbers 1—20. We have a count down to the 100th day of school and we'll continue to work on place value.

next few weeks, we are going to discuss season change. Please send in any items to share with the class showing how the season has changed. We will place these objects on the science table to enjoy. (I.e. changing leaves, little pumpkins, acorns, pine corns, etc.) Thank you!

BIT CARDS: Vincent van Gogh

PROVERB: Do unto others as you would have them do unto you.

CONCEPT: For the

SPECIAL NEWS...

MUSIC: We will sing on Friday!

Spelling test is on Friday. Have your children practice the words by writing them nightly. Practice makes progress.

Thanks to Jimmy's mom for the Andy Warhol lesson.

HOMEWORK: If you would like to bring your pet in for show and tell. Please let Kris know to set up a time.

Please bring in empty paper towel rolls if you have any and flashlights.

Return address forms please.
