

BOBBIE NOONAN'S CHILD CARE

WEEK # 31
3/13—3/17/17

Colors/
Friendship

Spring has almost sprung!! The children will learn all about what happens during this wonderful time of the year.

Expressive Vocabulary: yield and zenith

LANGUAGE: We are so excited about the topic for this week. We have many songs about colors to sing. The children already know many of these songs and love to sing and dance to them. We will work on flannel board stories and body plays as well. Feel free to bring in any books about colors or friends to help enhance the topic.

CONCEPT: We will create rainbows with colors this week along with sorting colors and counting rainbow bears. The children will get to explore in the sand and water table. During

science, we will create a rainbow and experiment with mixing colors together to create new colors!

CRAFT AND WRITING: We have been encouraging the children to print all of their letters and numbers. Make sure that they print their names with only the first letter upper case.

Kindergarten is right around the corner (don't forget to sign up). The children will enjoy working on color projects.

Please wear the following colors on these days:

Monday: red

Tuesday: orange

Wednesday: yellow

Thursday: blue/ purple

Friday: green
