

BOBBIE NOONANS CHILD CARE - JOLIET
WEEK #1 AUG. 14-18, 2017
GETTING ACQUAINTED

Hello to everyone and welcome to Bobbie Noonan's 2017 - 18 school year!

Each week we will post a newsletter on our web site explaining all that we will be learning and doing (add the Bobbie Noonan's app to your cell phone for easy access). Please read the newsletter, it will help you to be involved with your child's learning experience. The newsletter will have information about special events, things needed for the week and in-school visitors.

I would like to take some time to introduce our staff. I am Ruth Tyrrell, the Director. I have worked here for 24 years and have been the Director for 22. I am here for any questions or concerns that you may have. Do not ever hesitate to ask! I am in the office in the mornings and with the children in the afternoon!

Mrs. Kris Pollock is our Kindergarten teacher. She has worked for Bobbie Noonan's for a wonderful 41 years! She is very dedicated and will answer any questions when I am not here.

Mrs. Chrissy will be teaching Craft and Writing. She has worked for Bobbie Noonan's for 32 years! She will be the homeroom teacher for the 4 year olds.

Mrs. Lori will be teaching Language. She has been with us for the 9 years, however she has been in the child care field for 30. She is the 3 year old homeroom teacher.

Mrs. Colleen will be our Concept and 2 year old teacher. Colleen has worked for Bobbie Noonan's since she was in college. This is her second year at the Joliet location.

-over-

Please note that pre-school tuition is due on the first of every month. Tuition for the day care children is due the first day that your child attends for the week. If I fail to receive the payment on the day it is due, you will get a tuition reminder and a \$10.00 late fee. Tuition can be put in the mailbox outside of the office. Pre-school tuition can be given to the teacher getting your child out of the car. Checks do not need to be put in an envelope. All cash needs to be handed to a teacher so a receipt can be issued immediately (I'm sorry no change can be made).

There are many forms that need to be filled out and returned ASAP. These forms are required by the Department of Children and Family Services. PLEASE return them immediately. I will put any missing forms in your child's folder or book bag. Please be sure to check it!

Once again, I would like to welcome you to Bobbie Noonan's Child Care in Joliet! We look forward to working with your child(ren). Relax, and have a great week. I assure you, your children are in great hands!

Sincerely,

Ruth Tyrrell
Director
