Week 31 March 13-17 Theme: Spring/St. Patrick's Day

Language Arts

Our first Spring writing project is due to arrive home this week, focusing on proper penmanship. Readiness papers are sure to include many facts about Spring. We continue to review blends and digraphs. We will also review silent e, two vowels together and our word wall words.

Concept

The children will complete papers that reinforce counting quarters. This will help to prepare the children for the opening of the Kinder-Mart store on Friday, April 7th. The children will earn money based on the following things:

.15 cents for a clean desk

.10 cents for work done neatly

.10 cents for working quietly during class

On shopping days the children will have to decide if they want to spend their money for save it for a higher priced item. Happy Shopping!
