Worth
Week 38
May 1-5
Topic: The Farm

Proverb: April showers bring May flowers.
Story #13 – Help, work, Do, you help
Bits of Intelligence: Musical Instruments

Language Arts: Welcome to farm week. We are sure to have plenty to discuss regarding the many aspects of the farm. "The Farmer in the Dell" is sure to be included into our activities for the week. Ms. Jen will not only introduce our new reading story, but will work on the _et and _en word families.

Concept: In the concept room Mrs. Ann will introduce the basics of shoe tying. A sample shoe will be added to the shelf, along with other activities to support our farm theme. Several group activities are on the agenda. One in particular reinforces the concept of patterning. The children will use counters or plastic farm animals to create a pattern. We will also take out a play farm as another hands-on activity.

Craft and Writing: In Mrs. Melissa's classroom the children will complete various phonics papers corresponding with our farm theme. Watch for some farm art as well as the completion of our Alphabet Books.

Motor: We are ready to put the rain behind us and get outside!! Outdoor games for the week include hopscotch, Red Light, Green Light and relay races. We will have a great time with our farm related activities including "B-I-N-G-O".

Keep your calendars free on May 20th at 10:30 a.m. for our Spring Musical at Prairie Jr. High in Alsip.
