

Two's News

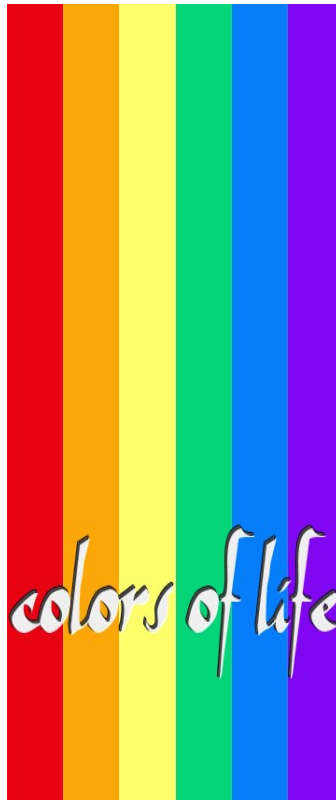

Week 28

February 20-24

Theme: Colors

Language Arts: The children will have a great time learning to sing with the use of stick puppets. Many colorful books will make their way to the shelf, such as Cat's Colors, Good Night Sweet Butterfly and Brown Bear. Our flannelboard story is called "Make a Rainbow". The children love this little story about an elf who makes a rainbow by squeezing fruit in a pot.

Concept: Lego play will kick off our week about colors as we build towers of red, yellow, blue and green. A new game on the agenda will help us begin patterning. The children will sort colored animals into colored cups. The water table will be filled with colorful shapes for the children to explore. They will have a great time scooping the shapes out with large spoons.

Craft and Writing: We are so excited about all of the fun projects we can do with our color theme. We will be rolling up our sleeves to mix colors together and see what new ones we can create.

I Know the Colors For Painting Fun

(sung to Twinkle, Twinkle)

I know the colors for painting fun.
Green like the grass and a yellow sun,
A red rose and a black crow, blue like a mailbox, brown like an ape,
a pink pig and some purple grapes.
