

BOBBIE NOONAN'S CHILD CARE - JOLIET NOVEMBER 2017

It is hard to believe that November is already here. We now know that the weather is going to get colder, so we ask that you please dress your children appropriately (hats, mittens, scarves, snow boots and snow pants). Please make sure these are labeled to the best of your ability so we will not lose them or get them mixed up! We will try to go outside everyday for some fresh air and exercise. The only time we will be in is if the temperature is below 20 degrees. This is a crucial time of the year to keep your children healthy. Going outdoors in cold weather does not make your children sick. Remind your child to wash their hands often and refrain from putting items into their mouth that do not belong! This will make us all a little healthier! We often remind you to dress your children appropriately because many times the children tell us they are too cold outside. Ask them how they feel at school or layer their clothing so that they can take off something if they get hot. Thank you.

We will be closed on Thanksgiving Day (November 23) and on Friday (November 24). Full tuition is still due this week.

We will have our Thanksgiving Pow Wow on Tuesday, November 21. All children may attend from 9-12! We will dance, sing, eat and tell each other what we are thankful for this year. We will have a traditional turkey dinner!

Each year we like to do something special to help our community. This year we are collecting canned food for a food pantry in Joliet. We ask that you help by donating as much as you can. Teach your children the importance of giving, charity and helping the less fortunate this holiday season. It is a lesson to learn for life. Send your donations from now through Nov. 22.

You should be receiving an evaluation soon on your child's progress so far this year. If you should have any questions or concerns, please let us know! The year is right on track! We are even ahead in some classrooms!
