

The 1<sup>st</sup> day of school means

So much to me....

I get to meet new friends and learn

Lots of different things!

But....

Already I have homework,

Which makes this rough....

I bet if you can help me, though,

It won't be so tough!

They want to know all about

"ME"

So, cut and paste with care.

Let's do it in great fashion....

After all this little cardboard letter represents "ME"
