**Age 3**

This is the perfect opportunity to introduce your child to the wonders of movement. Our classes offer a time for young children to learn together with many creative movement activities that teach listening, hand-eye coordination, sight recognition, muscle control, musicality, and gross motor skills in a fun, thirty-minute movement.

**Princess and Kings**

**Age 4-5**

This class introduces your child to ballet, jazz and acro. Come learn the basics of ballet with our special "princess" ballet instruction which incorporates a different Disney Princess and story theme each class. Then, bounce along with Mickey and Friends in our introduction to jazz a fun, high energy dance, and acrobatic skills.
