CAREERS

PARENT HOMEWORK:

Bring in items of what your child would like to be when they grow up (ie. DVD, book, costume, picture).

Fill out the attached papers.

On **Thursday**, have your child dress up as something they would like to be or do when they grow up.

We are looking for any parents or grandparents that would like to come and talk about their career. The children love to hear about different jobs and listen to the parents.

Practice your address and telephone number with your child. They should know this especially before entering 1st grade.
