February 12-16

Week 27

Topic: Valentine's Day

Introductions: pink, white, gray

**Language Arts:** Featured this week...L-O-V-E. Will you be my valentine? A special review game will be played and we will practice this new song.

## My Friend

(tune: Mary Had a Little Lamb)

You're a special friend of mine,  
friend of mine, friend of mine.  
You're a special friend of mine,

**Be My Valentine!**

## Craft and Writing

Our readiness papers will focus on our two new shapes. The children will enjoy a "lovely" Valentine's Day craft.

Happy Birthday to  
Camila Sigala on 2/15

**Motor:** Ms. Sam will have little feet busy as we try to stay on the balance beam walking forwards and backwards. Just to add a degree of difficulty, she will have the children practice keeping their balance while bending to pick up objects placed on the beam. We will also play a valentine ring toss game to help get us in the spirit of the holiday!

**Concept:** Mrs. Barb will introduce new shelf jobs that feature the colors pink and white. For a valentine treat the children will match numbers to corresponding hearts. Mrs. Barb will make bird feeders for our finned feathered friends. The children will learn how the weather makes it difficult for them to find food.

Valentine Parties: Tuesday and Wednesday  
February 13<sup>th</sup> and 14<sup>th</sup>.

Please label each valentine "classmate" or  
"friend". (10 per class)

**Thank you to all who  
participated in our Flat  
Stanley Career Week!**
