JUNIORS NEWS

March 12-16, 2018

Theme: Spring

Introductions: Ss & Tt

Bit Cards: Sea Creatures

Manners: *Eat with your mouth closed*

Proverb: Think before you speak

LANGUAGE ARTS: The letters A-T will be reviewed with our fishing game. Spring books, songs and finger plays will be done this week. Please send in spring pictures and theme related books to share.

CRAFT AND WRITING: The children will be working on papers that will help introduce them to our two new letters Ss and Tt. We will also be working on papers that reinforce our theme of spring and tracing our numbers. Keep a look out for signs of spring with a special butterfly art project.

CONCEPT: The letters Ss and Tt will be added to the shelves this week. With the arrival of the first day of spring next Monday the children will be talking about what kind of changes we will start to see outside. Please send in 3 pictures of something spring related; flowers, birds, etc. for our spring book, which we will be working on during class. This week the children will also be planting seeds inside and we will keep the plants here so we can monitor the changes that will happen as the plant grows.

MOTOR: This week the children will be using the tunnel and balance beam and as the week comes to an end they will be doing an obstacle course. We will be going outside weather permitting, so please make sure your child has the proper clothing here at school to go outside with us.

SONG OF THE WEEK:
“Spring Song”
(Tune: “Are You Sleeping?”)
I see robins, I see bird's nest
Butterflies too, flowers too.
Everything is growing
The wind is gently blowing
Spring is here, spring is here.
