

Toddler Times

Week 31 March 12th-16th, 2018

Theme: St. Patrick's Day & Colors/Spring

Language Arts:

Learning about colors is so much fun! What is your favorite color? This week we will discuss the topic of colors. As we learn about colors, we will explore songs about them. Our featured songs this week are "Five Little Crayons", and "We Love Colors". We will read a class favorite book called "The Crayon Box That Talked" and a few books about St. Patrick's Day.

Concept:

It's color matching time! Help me match the colored pom-pom to the correct colored bucket. We will be working on puzzles this week and using our job shelves.

Craft and Writing:

Mixing colors will be such a surprise. During art, we will enjoy paint mixing to discover what happens when two colors are mixed together. This activity will be so much fun! We will also create a shamrock craft.

Motor:

Let's play a game called pass the shamrock. We will each get a special color to hold and pass to our classmates. We will also enjoy a color scavenger hunt as we look around the room to find hidden colors.
