Language Arts:

"Spring is here. Spring is here. Goodbye, snow. Flowers grow. Birds and bees, leaves on trees. Hello, Spring. Hello, Spring."

The children are excited to be welcoming in our new season Spring! For the next two weeks, we will be reviewing our stories, and introducing story number 7. The children have been enjoying learning their new stories. We have been practicing building a sentence together. Our theme will be reinforced with some Spring and Easter finger plays and

stories.

Motor:

Easter Bunny__ is hopping by, Easter Bunny__ is hopping by, Easter Bunny__ is hopping by. Oh, do you have an egg for me? The student's will enjoy being the Easter Bunny and delivering eggs on our path! We hope to get out on the play ground and enjoy the new Spring weather!

Concept

Thank you to everyone who crafted a container for our egg drop. It turned out so

eggscellent it will be featured eggtra especially at art fair! Check out our mammal chart on our science board. The students will enjoy finding our Easter egg matches in our sensory bin.

Craft and Writing:

The next two weeks we will be busy bunnies getting ready for our Easter parties and working on fun crafts to go with our Spring theme, as well as scissor practice. I'm really proud of all of the children, they have been doing such a great job with printing their names! Art fair projects are coming along and the children are still working so hard!
