***June 1- Last day for M/W/F (school picnic)**

Samantha Sabo – 4/29

News from: Mrs. Elaine, Mrs. Taghrid and Ms. Jacqueline

Language Arts- We will talk about pollution on land, in the water and in the air. We will also talk about ways to keep our earth clean by recycling, reducing and reusing our trash. Our Fable for this week is “The Boy and the Hazelnuts”.

Here is a cute song to help children pitch in keeping our Earth clean:

Litter is Garbage (sung to wheels on the bus)

Litter is garbage that wasn't put away,
wasn't put away, wasn't put away.

Litter is garbage that wasn't put away,
In the garbage can.

I put by garbage in the garbage can,
in the garbage can, in the garbage can.

I put my garbage in the garbage can,
I'm not a litter bug.

Concept- We will discuss how important it is to keep the earth clean, why the earth needs trees and flowers. We will talk about the temperature, the weather, the growth of leaves and flowers. Exploring with our tactile bag, sand and water table will be fun for the children. Also, we will compare and contrast a garden glove and a mitten.

Craft and Writing- We will do some review papers, and an Earth Day Project.

Motor- We will be doing our ball and wand activity, follow directions exercise and will go outside as much as possible. (weather permitting)

***Just a reminder: For the safety of ALL children, please do not send your child to school in sandals, clogs or open toe shoes. Tennis/gym shoes are the best and the safest for outdoor play.**
