The first test is on Thursday 4/12 the words are: cat, hat, mat, sat, rat.

Test 2 is on Thursday 4/19 the words are can, ran, pan, fan, man

Welcome back from Spring break! I hope everyone had a fun and relaxing week.

Language Arts: Over the next few weeks we will continue to work on our reading skills. What a great group of readers you are. We will spend a bit of time practicing for our upcoming play singing songs and learning our speaking lines. Our class will discuss insects and we will learn this fun song.

(Sung to head, shoulders, knees and toes)
Head, thorax, abdomen, abdomen!
Head, thorax, abdomen, abdomen!
Eyes, six legs, antennae, too
Head, thorax, abdomen, abdomen!

Math: The children are doing a wonderful job with adding and subtracting. We will work on telling time, money greater than, less than and our number facts. Please help your child count to 100 by 1's, 5's, 10's and 2's.

Science: We will learn about insects and how to tell the difference between bugs and insects. Our carpet time will deal with fun activities that will teach the boys and girls facts about insects. As spring is finally here we will be studying life cycles and we will learn how animals can change from one thing to another such as caterpillars to butterflies and tadpoles into frogs.

Social Studies: We will spend the next couple of weeks learning about different land forms and the different insects that live there.

Art: Look for many interesting insects to be climbing out of your child's backpack, all pretend of course!

NOTES TO PARENTS:
