

Nursery News

Week 40 & 41 May 14th-18th & May 21st-25th, 2018
Theme: Old Favorites

Language Arts:

After a wonderful year of learning finger plays, flannel board stories, and songs, our class will spend this week reviewing all that we have learned throughout this year. We will revisit a few of our favorite books and have fun using musical instruments.

Motor:

While revisiting our favorite themes of this year, some favorite motor activities are the parachute, balance beam, and slide. The children will also enjoy other favorites such as: basketball hoop, color hat toss, and a fun outdoor relay race.

Concept:

The end of the school year is just around the corner! The children will enjoy relearning group activities that

we have learned this year. Some of these activities will include seriation, matching and one to one correspondence. Our hands will explore different sensory bins and water table fun.

Craft and Writing:

Our crafty little artists will use a variety of different mediums this week as we create art. We will also explore play dough and have shaving cream fun!
