In Kindergarten it is your child's responsibility to take care of his/her belongings. We hope you understand they sometimes get misplaced. You may need to replenish items throughout the school year.

Once again we will be working from phonics and math workbooks, in addition to our daily curriculum. The math workbook begins with simple number recognition and printing, and winds the year up with fractions, double-digit addition, subtraction and much more. The phonics book offers many opportunities for printing, following directions, reading and comprehension. The Weekly Reader is a fun, informative magazine that covers many theme related subjects.

There is a \$50.00 book fee due, which can be paid for in cash or a check made out to Bobbie Noonan's. If you wish to preview any of these workbooks, feel free to contact me and I would be happy to share them with you.
