

♥ Welcome to Preschool!

Weeks of 8/20 & 8/27

Theme- Getting Acquainted

Introduce – red and blue

School closed Monday, September 3 in observance of Labor Day- full tuition is due

Dear Parents and Students,

First of all, we would like to extend a warm welcome to all of our new students. Welcome to the Bobbie Noonan's Family! We hope you're happy here! This newsletter is our way of keeping you filled in about our lesson plan for the upcoming week as well as any special events happening at school. It is important that you read it every week so that you can work at home with your children on the same themes.

Our focus for the first couple of weeks of school is "Getting Acquainted." We'll be settling down in our new classroom and meeting all of our new friends. We will begin to establish a daily routine and try to learn the school rules, and the colors red and blue.

Our class time activities will take place between 9:00 and 12:00. During this time we will do both group and individual activities with the children, such as stories, puzzles and listening activities. We will spend time outside, weather permitting.

Your teachers for this year will be Mrs. Katelyn and Ms. Rachel

Hi! I am Mrs. Katelyn and I have been working at Bobbie Noonan's for over 3 years. I love working with children and watching them learn and grow each day. I will be teaching Concept and Art. In concept we will be talking about the calendar, days of the week, and the weather. We will be learning to count from 1 to 6 and our basic shapes. In art class we will color with crayons and markers, mosaic, have fun painting, finger painting, and much, much more. During the year we will play with play doh and try shaving cream fun!

Hello! My name is Ms. Rachel. I have been working at Bobbie Noonan's for a year and a half. I am excited to be working with the Young Nursery this year. I will be teaching Language Arts and Motor. In Language we will have fun listening to flannel board stories, learning finger plays, and singing songs that go along with our weekly theme. In Motor we'll strengthen our bodies walking the balance beam, crawling through the tunnel, ball play, singing, clapping, and jumping. We will go outside daily so please make sure your child is dressed for the weather.

We are looking forward to an exciting and fun filled school year!

Reminders

- * Each child will need to keep a change of clothes at school. Please write their initials in the tags or send them in a Ziploc bag with their name on it.
- * Each child should wear comfortable clothes and shoes suitable for outdoor play.
- * Write your child's name on everything he or she brings to school (book bag, stories, stuffed animals, sheets, etc).
- * Please remember the most efficient form of communication is through a note sent to school with your child.
- * You may bring a bib for your child to wear. If it is plastic or something similar to that; we can wash them off ourselves after use.
- * Check our website www.bobbie Noonan's.com for information and upcoming events

We are eager to get to know each child and are looking forward to providing them with a unique and rewarding educational experience. Please remember the lines of communication are always open!

Thank you! Mrs. Katelyn and Ms. Rachel
