

Nursery News

Weeks 6 and 7: September 24- October 5, 2018

Theme: Fall

Language Arts:

We will enjoy several fun fall finger plays. Can you make your fingers look like the leaves that will be falling off of our trees? The children will enjoy singing the song Fall is Here. Storytime will consist of books on our season, including: Pumpkins, Apples, and Leaves.

Concept:

Our discussion will focus on how and why leaves change color in the fall. Will we be seeing our color red on our fall leaves? The colors yellow and green, and numbers 1

and 2 will be added to the shelf. We'll be sorting yellow and green leaves. We will also be doing a shape hunt throughout our classroom to help us review the shapes circle and square.

Motor:

Indoors, the children will be working on crawling through our tunnel. We'll also be moving and dancing to various songs. Outdoors, we will play and enjoy the fall air!

Craft and Writing:

Our art board will be changing to correlate with our new season. Look for

projects including: chipmunks, apples, and leaves, along with our new colors yellow and green.
