Language:

This week we will talk about Nursery Rhymes. If you have any nursery rhyme books, please bring them in to share with your friends. We will also be doing a listening activity. The book area and puppets will also be open this week.

Craft & Writing:

This week we will be working on phonics papers that will reinforce our two new letters Cc and Dd. We will use our problem solving skills to work on a paper called what’s wrong with this picture?

Concept:

The letters C and D are added to the shelves for the children to work on and we will be using our water and sand table. We will be working with Halloween math for the next few weeks, this will help us with patterns, adding, and subtracting. The number concept 1=1 spider will be worked on, the children will learn about tally marks to graph things and we will also work on positional words like in, out, under, above and behind. All these concepts will be worked on for the next few weeks. For science activities this week we will be going on a nature walk to look for signs of fall and collect some leaves to make a leaf book for the Science table.

Motor:

While outside, the children will follow a path activity and play a follow direction game. As we plan to go outside for several activities this week, please be sure your child has the appropriate clothing for the up-coming weather.

Happy Birthday:

Jaisyn Allibalogun – September 29th

Student of the Week:

William Daniels

Mascot:

Mia Giuliani

Reminders:

Show and Tell: Friday, September 28th – Please bring items which begin with the sounds of C and D.
Remember 1 item per letter!

It is that time of year to change out your child’s extra clothing from summer to fall. Thank you for your help in this matter.

Have a wonderful week!

Mrs. Mary Ann & Mrs. Summer

POEM OF THE WEEK

“Twinkle, Twinkle Little Star”
Twinkle, twinkle little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.

Twinkle twinkle little star,
How I wonder what you are.
