Upcoming Events

Mrs. Michelle will be here for music on
Monday, September 24.

The Frankfort Fire Dept. will visit our
center on Tuesday, September 25.

On Columbus Day, Monday, October 8,
our center will be closed.

Language Arts & Phonics

Our focus this week is on the letters Kk & Ll, and their phonetic sounds. The children will work on phonics printing papers for the letter Kk and Ll, and practice sorting pictures that start with our new letters. Also, we will review rhyming words by matching words and pictures together, and by playing sight word bingo.

Math & Science

In math, the children will review patterns and play shape memory and color word bingo. In Science, the children will learn about apples. They will taste different kinds of apples, do an apple experiment, talk about the similarities and differences of apples, and graph our favorite colored apples.

Craft & Writing

This week the children will print the letters Kk & Ll and work on phonics papers as well. For art this week, the children will make a craft featuring the story *Ten Apples Up on Top*.
