

# Pre-K Press

Weeks 10 & 11 October 22nd-26th & October 29th-November 2nd, 2018  
Theme: Safety & Halloween

## Language Arts:

In the next couple of weeks will be discussing fire safety and stranger danger.

We will discuss safety issues such as

buckling our seat belts and dialing 9-1-1. This would be a great time to work with your children on knowing his/her phone number, address, and family fire plan in case of a fire at your home.

## Motor:

Stop, Drop, and Roll will be practiced since the fire department visited. The

color ladder will be introduced where they will practice their listening skills.

## Concept

Over the next couple of weeks we will be working on estimating, rote counting and activities to reinforce numbers up to 10. As a science experiment and in the spirit of Halloween we will carve a pumpkin, count the seeds and feel the gooey insides. The water table will also be used for fire safety.

## Craft and Writing:

The children will enjoy working on a few art projects throughout the next couple of weeks. That are Halloween and safety themed. We have been working on writing our names since the beginning of the school year.

Everyone is doing great! Remember to have your child practice at home. Using a capital letter for their first letter and then lower case for the rest.
