

Nursery News

Weeks 26 and 27: February 18- March 1, 2019

Theme: Dinosaurs

Language Arts:

The children will enjoy several fun dinosaur themed books. Our selections will include: How do Dinosaurs Play with Their Friends and Dinosaur Colors. The children will learn two new songs Snowman and The Mitten Song. We will be using our feet to stomp and march around our room to the song We Are the Dinosaurs. Hope you bring your dinosaur feet to school!

Concept:

We will be working hard at

our water table over the next two weeks. The children will be using a variety of water toys, including: cups, bowls, and funnels. These objects will help them to practice pouring, filling, and emptying water from one place to another.

Motor:

The children will be dinosaur stomping around the room! But we dinosaurs will also be using the wooden stairs, crawling through the tunnel, and making waves with the parachute. If weather permits, we will

also get some fresh air outdoors!

Craft and Writing:

We will be using a wide variety of art materials these two weeks. The children will be sponge painting dinosaur eggs and creating dinosaur tracks using paint. We love paint! In addition, the children will be coloring dinosaur pictures using crayons and markers. Look for our dinosaur art to stomp into your homes!
