

BOBBIE NOONAN'S CHILD CARE
Tinley 2
PRE - K NEWS
March 11 - 15, 2019

Theme: Reptiles

Introductions: Story #11

Story Words: My, my, Big, Boat, boat, Blue, blue

Language:

For our theme of *reptiles* the children will learn the difference between reptiles and mammals. We will also learn how they live, sleep and what they eat. Please help us with our theme by bringing small toys, books or pictures of reptiles.

Our daily review will include the letters Aa through Zz for letter recognition and phonetic sounds.

The children will continue to work on rhyming words and they will work on the reading story that they are currently on.

Concept:

This week we will be working on a compare and contrast activity using a sand shovel vs a spoon and a snow hat vs a baseball cap. The children will also work on greater than/less than and the mystery bag. To help reinforce our numbers we will be playing number bingo.

Craft & Writing:

The children will work on art projects and papers to reinforce our theme of reptiles and papers to review our color words and shapes. We will also work on printing our numbers, matching opposites, rhyming and counting papers.

Motor:

This week the children will be working on their balancing skills as they walk the balance beam and use the balance board. We will also be using the rocking boat and we will have scooter races.

Field Trip:

Exploration Station
Friday, May 3rd

Keep this date open if you can be a chaperone!!

Show-n-Tell:

Reptiles (all week)

Student of the Week:

Jack Szabo

Happy Birthday:

Logan - March 14
