

## **Bobbie Noonan's Child Care**

### **Newsletter - January 2020**

Welcome to the first newsletter of 2020. **Happy New Year to All!** We hope you and your families had a **Happy Holiday Season!**

We would like to remind everyone of our policies regarding childhood illness. These policies can be found in your parent handbook.

#### **Keep your child home if -**

- The child has a fever or has had one in the last 24 hours.
- **The child must be fever free for 24 hours before returning to school.**
- The child has a cold or nasal discharge.
- The child has a consistent cough.
- The child is cranky, fussy or not himself.
- The child has symptoms of a communicable disease. Please notify the school at once, if your child has a communicable disease.
- The child is over tired. Over tired children are susceptible to illness.

#### **Evaluations**

All children will be re-evaluated this month to determine their progress since September. Our Parent-Teacher conferences will be held in February. Assessment of a child's development is important; and we look forward to discussing your child's evaluation with you at Parent/Teacher conferences.

#### **Special Thank You**

A heart warming thank you for the gifts we received from you and your children.

#### **Reminder**

With winter here, please remember to label your child's outerwear clearly.

Please be sure your child's file is updated with new phone numbers/address changes.  
If adding new people on the authorization for pick up, it must be put in writing.  
If any new medical changes in your child's health records need to be added or taken off,  
please let the office know.

**Upcoming Events**

**January**, Registration for the 2020/2021 school year will be open to currently enrolled students. Forms will be sent home with your child.

All currently enrolled families that register by February 12, 2020 will receive 50% off the school year registration fee. This is our thank you to the families that support our program and value the service we provide.

## Facebook Challenge

The start of the New Year brings on another Bobbie Noonan's Facebook challenge against our sister schools, both in Illinois and Florida.

This year we are going to have a Penguin challenge to open the registration for our new school year.

Be sure to **LIKE AND SHARE** 'Tinley 1 Pre-school' on Bobbie Noonan's Facebook page.

The school with the most '**LIKES**' will receive a prize for their center and children.

The "challenge" will be posted from Monday 2/10/20 through Friday 2/14/20.

Please share our page with your family and friends and like our school's post.
