

**WEEK #25**  
**FEB. 3-7, 2020**

## All About Me

**Introductions: Kk & Ll**  
**Manners: 11 & 12**

**LANGUAGE:** This week will be full of fun as the children learn about each other. We have many flannel boards stories and songs to sing. Some of the songs are: I am Special, I have 10 fingers and When I was one. We will each get a turn being a leader while the classmates follow in a new game. Lastly, we will work on an All About Me book! Please bring in pictures of your child's house and family so your child can tell us all about them (see parent homework).

**CONCEPT:** There is so much to do in concept this week.. The children will use the number line and rote count to 10. We will create a height and weight chart, a "my family" sensory bin and look at fingerprint patterns. The children will also get to use the tactile bag (with body parts) and use the sand and water table (using sand prints). We will play color bingo, have a counting activity and trace numbers in sand.

### CRAFT & WRITING:

Have you noticed the change in your child's paperwork? The youngest group of children are doing well listening and following directions during paper time. We will be introducing Kk and Ll and work on name papers. The children will practice with scissors. We will paint self portraits!

**Parent homework:**

Please bring in pictures of your child's family, house, and likes and dislikes (magazines pics are fine). Also, have your child draw a picture of themselves.

## REMINDERS...

Registration for next year is still half price. Register today! Tell your friends to enroll too!

Mr. Waddles: Leo

Please bring in snow boots and pants so we can take the children out to play.
