

Dear Parents,

We hope you are doing well. This situation has continued to make it difficult to make decisions regarding the remainder of our scheduled school year.

With sadness, we will be cancelling all preschool (9-12) and kindergarten half day (9-12 and 9-2:30) classes for the remainder of the school year that was scheduled to end on June 5.

Many have questioned whether or not we will be having our end of the year programs, plays, and kindergarten graduations. These will be cancelled. We know how much we all look forward to these.

We will be contacting Kindergarten parents to provide them the opportunity to borrow a graduation cap and gown for any pictures or family celebrations they choose to have. We have ordered diplomas and tassels, as soon as they arrive, arrangements will be made for picking these up. Also, a tribute to our graduates on our Facebook page is in the planning.

We hope to be able to open some of our locations under our emergency day care licenses, as we know more people have, or will be going back to work. As we did before, we will be contacting our daycare parents shortly to see who will be attending, and children's exact schedules. This accurate information is important in determining the opening of our schools. A day care survey will be sent out in the near future.

We will continue to keep you informed on this ever-changing situation. We hope to open for summer camp preschool programs. If you are interested in summer camp, please send an email to your school for more information.

Here are the schools' email addresses. These emails are checked at least two times a day.
