Welcome to Bobbie Noonan's Child Care! We'd like to express our appreciation to all of our families for choosing Bobbie Noonan's as the school environment for their child. We will do our very best to provide you and your child with a positive, challenging and enjoyable preschool program. Your child will have the opportunity to be taught by, cared for and loved by the most capable and talented staff; who will always be at their professional best! Please remember that open communication is the best situation for our program. Always feel free to come into the office with any questions or concerns.

We have the following days reserved for your child beginning August 17th, 2020. A new tuition contract for the 2020-2021 school is also attached; please sign and return to the office. Please remember we offer Tuition Express; with the convenience of accepting credit card and online payments, if you are interested please fill out the Tuition Express document, you will then be assigned a registration code and enrollment instructions. Tuition is still due on the scheduled basis stated in your signed tuition policy. Please refer to this to set up accurate payments. Of course, we will still accept in school payments. Tuition rates will not increase this year, at this time we have your child (children) enrolled for the following days and times; if this is not correct please let me know.

_____ All Day (Daycare, 10 1/2 Hour Day)	5 days _____
_____ Half Day (Preschool, 9:00 to 12:00)	3 days _____
_____ Extended Day (till 1:00 or 3:00)	2 days _____

Please remember if your child is attending full days your tuition is due weekly and will be considered late if it is not paid the first day of attendance. Remember to check your calendar when paying monthly, some months have 4 or 5 weeks. If your child is attending our pre-school program or an extended day program your tuition rate is monthly and is also due the first day of attendance. Half day (Preschool children) will

pay 10 full payments, beginning in August and ending in May. If you have any additional questions feel free to stop by the office and I will be happy to assist you.

The first day of school is an exciting time in your child's life. Please prepare your child for this new experience by explaining what to expect. Children need to know how long their day will be, how many days they will be coming to school, etc. Your child may feel anxious and giving them details will make them feel more comfortable about this new situation.

Remember that learning to like school and liking to learn are closely related. Your child's first school experience can establish a positive or negative attitude toward school in the years to come. We will do all we can to make sure that your child's first school experience at our center will remain happy and secure at all times. Praise your child as often as you can; positive reinforcement is one of the greatest gifts that you can give your child. There is always more to gain by accentuating the positive. A pat on the back can go a long way!

We are looking forward to our upcoming fall program. Our academic preschool year begins August 17th. **Remember all children must have current medical and immunization forms on file, these forms (3040 and 680) can be obtained from your child's physician, all forms must be current for your child to begin the school year.**

We ask that your child dress in play clothes when coming to school. Our children experience various adventures at school and some can become a bit messy. Please have your child wear enclosed shoes, not sandals or thongs

Your child will need an extra change of clothes to be left at school. Please put them in a labeled plastic bag to give to your child's homeroom teacher.
