

**Bobbie Noonan's Child Care
Tinley II
Junior's Newsletter
October 26 – 30, 2020**

Theme:

Pets

Introductions:

Letters Gg and Hh

Bits:

Musical Instruments

Vocabulary:

Invite – to ask someone to join in

Fable:

The Lion and the Mouse

Moral:

Sometimes we can help, even if we are very small

Language:

The letters Gg and Hh will be introduced (recognition and phonics). We will also be talking about our very own pets, so if you have a pet at home please bring a picture to show and hang up in our room. Please make sure your child's name and the name of your pet is on the back. If you do not have a pet, your child may bring in a picture of a pet they would like to have and what they would name it. A special listening activity will also be done.

Craft & Writing:

This week we will be working on papers that will reinforce the letters Gg and Hh and the sounds they make. The children will also work on a paper that will have them match a pet to their home.

Concept:

The letters Gg and Hh will be added to our shelves. The children will work on building a train using shape blocks. The children will also continue to work on estimation using a variety of blocks. In science, the children will learn how to mix primary colors to make different colors. We will also discuss how to care for our pets properly.

Motor:

The children will be working on a jump the path activity and have a crawling relay race. We will be taking the children outside daily, weather permitting, so please make sure they are wearing proper clothing for outdoor play time.

Student of the Week:

Harrison Guldan

Reminders:

- Have you changed your child's extra clothes in their cubby? The cooler weather is upon us and they should have warmer clothes.
- **Please note that we will be closed on both Thursday, November 26th and Friday, November 27th for the Thanksgiving Holiday. Full tuition is still due for this week and there can be no switching of days.**
