 Halloween

Introductions: We are so excited and looking forward to our Halloween parties on Thursday and Friday! It is fun to dress up and play pretend. During this week, we can use our imagination skills with each amazing costume we see.

Happy Halloween!

Mrs. Paula, Mrs. Cathy, Mrs. Karen, and Miss Demi

Concept: "Let's roll that pumpkin down to town, it's time for Halloween!" Then we will count them, place them in order of size, and count the seeds inside one of them.

Have a safe and Happy Halloween!

Language Arts: In Language, we will expand our phonetic sounds in a Halloween pin the sight word on the Jack-o-lantern. Our highlighted book is "Bats at the Beach" by Brian Lies. Have you ever heard of a bat going to the beach? Don't forget the moon-tan-lotion!

Craft and Writing: We will be using **slime** to enhance our fine motor skills at our Halloween parties. Kk, Ll, 13 and 14 will be reviewed along with our cutting skills.

Motor: Princesses and Action Heroes will be having trick or treat fun with our obstacle course and pumpkin buckets. Please remember, we go outside on a daily basis so dress for chilly temps. Coats and hats may be necessary.
