

Pre K Press

Theme: Pow Wow

Language Arts: As we gobble, gobble closer to Thanksgiving, our discussions will get more interesting. This week we will chat about the Pilgrims. We will spend more time on our bold beginning stories and words. Our highlighted book this week is “The Littlest Pilgrim” by Brandi Dougherty.

Concept: A turkey on our shelf will help us enhance our number concept skills. Don't worry, no turkeys were harmed in the making of this activity!

Craft & Writing: Turkey hats, Noodle Necklaces, and Pilgrims will all be created as our Thanksgiving Holiday draws near. Clear off the refrigerator door as there will be many artistic activities coming home for the holiday.

Motor: As we begin our celebrations, we will learn a few dances during class. Eye-hand coordination will be developed as we toss a bag at our review board. Also, weather permitting, we will go outside, so dress your little turkey warm! Please be sure to label coats and hats.

★ Student of the Week ★
