**Concept:**  
The color brown will be introduced and added to our shelf time jobs. The children will also be working on puzzles to help with their fine motor skills.

We will be working on several different Thanksgiving papers and projects. We will also work on papers to reinforce the new color brown.

This week we will enhance our motor skills by creating an obstacle course. If the weather permits, we will be going outside. Please make sure your child is dressed appropriately for outside fun.
